AHHA PRODUCTS

is the retail side of C-Slide Holdings, LLC, a Utah-based tech accessory company which has dominated the promotional advertising industry by creating a unique niche in privacy protection with innovative, patented tech products

STALKER BLOCKER is proven to be the best solution for webcam and audio privacy protection in the marketplace.

CABLE QUACKS magnetic cable organizers make it easy to organize charging cables by eliminating the hassle of tangled cables falling onto the floor or behind your desk.

BLING BLING for your RING RING adds style and flare to any mobile device while covering your front-facing camera to block out webcam spying and keeping your private life private.
